We are returning to Timberlodge on the fringe of Ingleton in the Yorkshire Dales for the December Meet. Our last visit was successful due to the excellent accommodation and the nearness to two of the three peaks and other good walks.

The December Meet is traditionally well supported and this year we are repeating last year's successful 'experiment' of having a Christmas Dinner cooked for us

rather than the communal cooking of past meets. This time there will be choices for each course, including vegetarian and gluten-free. The cost will be £16.50

Timberlodge sleeps 48, has plenty of space and accommodation in 3-bed and 6-bed rooms. There is a comfortable lounge and a good kitchen for preparing other meals. The 3 night booking allows those who can't stay for the three nights to at least have the ability to use the facilities after the Sunday walk rather than having to pack up by 10am. You will need to bring a sleeping bag and pillowcase.

There will be walks for all tastes including a round of Whernside and Ingleborough for the fittest and other suggested routes to take in the area.
