No of Places	4
Facilities	See Link

At present the accommodation is fully booked, but other self-catering accommodation is available in the area including the youth hostel in the centre of Braemar.

This meet is a repeat of the very successful Easter 2017.

The accommodation is spacious with some rooms ensuite, and The Old School House is situated at Inverey. The cottage has excellent facilities and more information can be found on [https://www.scottish-cottages.co.uk/the Old School House](https://www.scottish-cottages.co.uk/the-Old-School-House). For those who are not familiar with the area, Inverey is mid-way

(4 miles) between Braemar and the Linn of Dee.

There is plenty of walking in the area, Munros in abundance, including some with no long walk-ins. The area gives the possibility of doing some two-day walks, through the great glens to Aviemore, staying overnight and then returning a different way. Bikes are very useful, we shall be taking ours. Non-walking opportunities include mountain biking in the Glens and Skiing (conditions permitting) at the The Glen Shee ski area.

Anyone wishing to join this meet and would like more information please contact me.
